General Burnside Island State Park was named for the sideburn-whiskered Civil War general Ambrose Burnside. Burnside led patrols along the Cumberland River, circling this 400-acre island while on the lookout for Confederate soldiers.

Golf:

The renovated golf course at General Burnside Island is located on an island surrounded by Lake Cumberland in Somerset, KY. Brian Ault, designer of Dale Hollow and Hidden Cove, both recognized by Golf Digest, designed this spectacular layout. At 6,394 yards, the course features Zoysia fairways, bent grass tees and greens. The natural beauty of large boulders in the landscape at hole #6 will set you up for a beautiful view atop the back tee. This 18-hole course offers a pro shop, pull carts, riding carts, and rental clubs.

Camping:

Cool lake breezes and scenic views make camping here a great getaway. The campground features 94 sites with utility hookups, two central service buildings with showers and rest rooms, and a dump station. Open April 1 - October 31 with planned recreational activities for the kids, seasonally. Reservations online or at 1-888-4KY-PARK.

Fishing:

Lake Cumberland provides some of the best fishing in the United States. Fish for crappie, largemouth and small-mouth bass, and striped bass.

Marina, Boat Ramp & Rental:

Six lane launching ramp at the park provides you with perfect access to a fun filled day on the lake. Or, a private marina next to the park offers rental slips, rental fishing, ski, or pontoon boats, and houseboats. \$ for rentals.

Picnicking & Playgrounds:

Picnic tables, grills, and a playground for a fun day outdoors. Two picnic shelters (one with rest rooms) are available for rental up to one year in advance.

Special Events

• Campers Appreciation Weekend (April)
